

High Risk of Isolation or Exploitation (HRI/E) Personnel:

1. For personnel designated as HRI/E (by specialty or mission) or for personnel traveling to a destination designated as a USPACOM Travel Restricted country/area, the HRI/E must be current and completed prior to entry into the AOR.
 - a. Personnel are considered HRI/E based on their job specialty, location of operations, and type of mission. HRI/E Personnel must complete additional PR training requirements prior to theater entry. These requirements are posted on the PACOM SIPR website at http://psp.hq.pacom.smil.mil/orgareas/j3/j35/Personnel_Recovery.
 - i. Personnel traveling to areas with DOD travel restrictions or performing classified missions should review theater entry requirements information on the PACOM PR website to determine if they have HRI/E requirements to complete. The contents of this website are classified SECRET/NOFORN. Travelers who do not have access to the SIPRNET should contact their unit Intelligence or AT officer for assistance. PACOM point of contact is joc.jprc.pacom.fct@pacom.mil or phone 808-477-7687 (DSN 315-477-7687).
 - ii. All personnel eligible for or required by their DOD component (Services and SOCOM) to complete Level C SERE or other HRI/E training should do so prior to assignment, deployment, or travel to the PACOM AOR. Links to the Service requirements are posted on the USPACOM NIPR PR website. SOCOM requirements are posted on the PACOM SIPR PR website.
