

SERE 100.1 Level A Training Requirements

1. Purpose: Personnel Recovery preparation is required to prepare for a situation when a traveler needs to be authenticated after they have become isolated, captured, missing, or detained; whether through accident (e.g., vehicle breaks down en route to a location), political turmoil (e.g., riot) or criminal/terrorist action (e.g., kidnapping). Travelers should be prepared to survive unassisted for no less than 96 hours.
2. Consult COCOM, Service and Unit PR POCs for specific OCONUS PR travel requirements that may be more detailed and restrictive.
 - a. **USAFRICOM:** All DoD travelers will have completed “Level A SERE training in support of the Code of Conduct (CoC)” or Service Equivalent (initial or continuation training) **within 36 months prior to entering the US Africa Command AOR.**
